NESRT PROFESSIONAL RECOGNITION AWARD

The wealth of our organization lies in its membership. For this reason the NESRT Board created The NESRT Professional Recognition Award several years ago as a means to honor the contribution of one of its members to the profession of radiation therapy.

If you know of a member whose clinical +/or professional attributes provide stellar qualities to our profession please consider nominating them for the award. To nominate a member please complete the Nomination Form below and mail to Susan O'Connell, Past President, no later than February 1st.

The recipient of the award will be honored at the NESRT Spring Conference on March 27th + 28th, receive free admission to the conference and free membership for the year. In addition the recipient and their employer will receive a plaque to be displayed recognizing the achievement of the radiation therapist.
